ACAP Leadership Team

Jason Parent
Executive Director/CEO
Jason began his leadership role in October 2015. In addition to providing overall management and leadership direction to the agency, Jason serves on numerous boards of several local and state organizations.

Robyn Locke
CFO/Director of Fiscal Services
Robyn joined the ACAP team at the beginning of December 2018. She oversees all of the Agency’s financials, as well as partners with staff around strategy and budgeting. Robyn has a non-profit accounting and leadership background having been the Chief Financial & Administrative Officer at AMHC for 4.5 years prior to joining the ACAP family.

Alyssa Levesque
Human Resource Manager
Alyssa oversees the human resource activities for the entire organization. She conducts new hire orientations, staff trainings, and administers benefits, along with other HR responsibilities. She is a member of ACAP’s Employee Engagement and Safety Committees, working as a liaison between the committees and senior management.

Monica Pettengill Jerkins
Resource Developer
Monica began with ACAP in April of 2017 and provides oversight of all grant writing and community relations activities. She works closely with each department to identify current funding needs and potential resources to meet them.

Sue Powers
Department Director Early Care & Education
Sue brings a diverse background of experience working with young children and their families to her leadership role at ACAP Early Care & Education. She oversees all programs and services that support young families, including Early Head Start, Head Start, Child Care, and preschool Early Intervention special education programs. She works collaboratively with internal and external partners to identify and address the needs for early childhood services and support to children and families in Aroostook County.

Susan Deschene
Department Director Community Services and Interim Department Director of Energy & Housing
Susan has been with ACAP for more than 20 years. She oversees several programs including all community health programs and HEAP (Home Energy Assistance Program).

Jamie Chandler
Service Delivery Coordinator and Interim Department Workforce Development
Jamie has been with ACAP for six years and in September of 2018, became ACAP’s first Service Delivery Coordinator to reflect the cross-agency, collaborative work the Agency is embracing. In her role she oversees ACAP’s Family Coaching Team and currently serves as the Interim Director for Workforce Development.

Gloria Duncan
Executive Assistant
Gloria previously worked as a LIHEAP Receptionist and most recently as the temporary Executive Assistant before being appointed to the role full-time in October 2015. Gloria provides administrative support to the Executive Director and senior leadership teams and oversees the administrative operations of the agency.
