

Home Energy Assistance Program

With record high fuel prices- now is the time to see if you qualify!

-  The HEAP application includes an application completed during HEAP appointment and submission of required documents.
-  The HEAP application process normally takes 2 to 8 weeks depending on how soon required documents are received.
-  Medical expenses paid out-of-pocket in prior 12 months before application can be deducted from household income amount.
-  Benefit amount for eligible households varies depending on household size, income and other factors. Benefits are typically paid to your fuel provider as a credit to your account.
